HARDWARE BEYOND LUXURY

About Us

KLIQ'S line of decorative interior hardware products enhances the creation of sophisticated living spaces. KLIQ INTERNATIONAL has built a loyal customer base for our decorative interior hardware products. Sophisticated design augments the highest quality materials, production techniques and finishes to produce a standard of durability that exceeds the most stringent customer specifications. In addition, aesthetic considerations and universal usability are designed into all of our products. KLIQ continues to deliver the high quality demanded for today's increasingly individualized living spaces.

Over time the company has evolved, with a focus on development and growth of production, updating its processes and specializing in the working and finishing of new, different metals for the manufacture of handles, including zamak and aluminium as well as brass and Stainless Steel. We also have a special segment for fabrication and artistic job work. We also take up turnkey projects. Premium and the most complex coating as well plating jobs are also undertaken by us. KLIQ INTERNATIONAL is one stop for all your architectural needs and luxury furniture fittings.
