ABOUT US

Since 1992, Shapes offers a unique range of modern and classic handles, along with premium bathroom accessories.

Shapes meets every need of today's evolving market, blending tradition with modern innovation.

Under the leadership of Mukesh Modi and Shivam Modi, Shapes has established itself as one of India's leading hardware brands. Our commitment to quality and timeless design is stronger than ever, offering luxurious aluminum and brass handles that not only serve as functional pieces but also elevate the aesthetics of your home.

Every handle tells a story, becoming an integral part of your space and reflecting the careful craftsmanship we are known for.

So, handles will not just be the last element to be selected but will be an important piece of every interior.

OUR VISION

We aim to lead in design by continuously pushing boundaries to create innovative and timeless products. Drawing inspiration from our roots, we honor our journey and the values that guide us.

Our unwavering commitment is to uphold a singular standard of quality and excellent service across all categories, ensuring that each product embodies exceptional craftsmanship and meets the highest expectations of our customers.

A VENTURE OF EAGLE HARDWARE PVT. LTD.

Eagle Hardware began as a humble business in 1992, rooted in a vision of quality and innovation. Over the years, it has grown rapidly to become one of India's most prominent and trusted brand in hardware Industry. With a dedication to excellence and a commitment to meeting the evolving needs of our customers, Eagle Hardware has paved the way for success and reliability in the industry.

As a proud venture of Eagle Hardware, Shapes continues this legacy, bringing beautifully crafted handles and accessories to homes across the nation.

Dear Customer,

Thank you for the overwhelming love and support you've shown for the previous Shapes catalogue. Your enthusiasm has been the driving force behind our continued growth and success.

You are our strength, and we're grateful to each one of you for being a vital part of our journey. We've put immense care into creating the new catalogue with you in mind, aiming to bring even more value, inspiration, and excellence to our shared vision.

We hope to see the same warmth and enthusiasm for this new edition, crafted specially for you.

With heartfelt thanks,

Shivam Modi
Managing Director

Long Conceal/Sliding Wardrobe Handles

The design

minimizes exposure to bumps or wear and tear, making these handles more durable and less likely to be damaged compared to traditional, protruding handles. The long handle offers a comfortable grip and makes it easier to maneuver large sliding doors. Overall, long concealed sliding wardrobe handles combine aesthetic appeal with practical functionality, making them a popular choice for modern sliding door systems.

Conceal Handles

Concealed handles are increasingly becoming a popular choice for wardrobes and sliding doors, offering a sleek, minimalist look that aligns with modern interior trends. Traditionally available in just 3-4 basic colors, we've expanded our range to include a variety of designs, meeting the growing demand in the market. Our concealed handles are crafted from zinc, a material that is both affordable and highly functional, ensuring durability while maintaining a refined aesthetic.

Door Handles

The door handle

is the exquisite finishing touch that elevates home interiors. As the first element people encounter upon entering a home or office, it not only sets the tone but also exudes a sense of luxury. Its design and craftsmanship reflect the overarching theme or story of the space, making a sophisticated statement that speaks to both style and elegance.

Long Wardrobe Edge Profiles

Additionally,

long wardrobe profiles are ideal for maximizing space efficiency, as they don't add bulk or require extra room for traditional handles. They also reduce the risk of accidental bumps or injuries, making them a practical and child-friendly option in bedrooms. Available in various finishes and materials, long wardrobe profiles blend both style and utility, perfectly complementing a modern home.

Furniture Legs

Aesthetic Purposes

Style Variety : Legs come in various shapes, materials, and styles (e.g., tapered, straight, splayed), allowing them to complement different interior designs.

Visual Lightness : Furniture with legs often feels lighter and less bulky, compared to furniture that sits flat on the floor.

Material Contrast : The legs can be made from wood, metal, or other materials, creating a visual contrast with the main body of the sofa or side table.

MORTISE HANDLES

Zinc mortise handles

are specially designed to offer shapes and styles that are not possible with brass, giving homeowners a wide range of creative options. Zinc provides an affordable alternative while still delivering modern and luxurious finishes that effortlessly elevate the look of your interior spaces. Whether you're designing a sleek, contemporary home or a cozy, traditional space, zinc handles can complement any aesthetic. With finishes that range from polished chrome to matte black, these handles not only fit your budget but also add a touch of sophistication to doors throughout your home. Zinc's versatility ensures that it seamlessly integrates with other design elements, from lighting fixtures to cabinet hardware, creating a cohesive and stylish interior.
